

MENTORSTVO – MENTORSHIP

Doktorske disertacije - Doctoral dissertation

Tehnički fakultet Čačak, Univerzitet u Kragujevcu
Faculty of Engineering, Čačak, University of Kragujevac

- 1. Randić Siniša:** *Prilog projektovanju specijalizovanih računarskih sistema za obradu telemetrijskih signala, 1999, (komentor).*
Contribution to the design of specialized computer systems for processing the telemetry signals, 1999, (comentor).

Fakultet bezbednosti, Univerzitet u Beogradu
Faculty of Security Studies, Univesity of Belgrade

- 2. Đorđević Ivica:** *Nova bezbednosna arhitektura u uslovima globalizacije, 2006.*
The new security architecture in terms of globalization, 2006.
- 3. Novčić Ljiljana:** *Model sistema za podršku u odlučivanju u vanrednim situacijama, 2008.*
The model of the system for decision support in emergency situations, 2008.
- 4. Bošković Milica:** *Integrirani monitoring činilaca ekološke bezbednosti, 2008.*
Integrated monitoring of the environmental security factors, 2008.
- 5. Urošević Vladimir:** *Informacione tehnologije u sprečavanju ilegalne trgovine retkim i ugroženim životinjskim i biljnim vrstama, 2008.*
Information technology to prevent illegal trade of the rare and threatened animal and plant species, 2008.
- 6. Brzaković Miodrag:** *Interoperabilnost i bezbednost informacija u organizacijama od strateškog značaja u vanrednim situacijama, 2009.*
Interoperability and information security in the organizations of strategic importance in emergency situations, 2009.
- 7. Mandić Goran:** *Bezbednost korporativnih resursa ugroženih socijalnim inženjeringom, 2011.*
The security of the corporate resources threatened by social engineering, 2011.

Magistarske teze – Master thesis

1. **Urošević Vladimir:** *Integrirani monitoring zemljišta na području užeg gradskog jezgra Beograda*, 2006.
The Integrated soil monitoring in the area of the inner city of Belgrade, 2006.
2. **Bošković Milica:** *Model integrisanog monitoringa životinjskih populacija*, 2007.
The Model of integrated monitoring of animal populations, 2007.
3. **Kapor Snežana:** *Integrirano upravljanje HSE rizicima u Radnoj jedinici Poštanskog saobraćaja*, 2009.
Integrated management of the HSE risks in the business unit of postal services, 2009.
4. **Miljuš Miodrag:** *Zaštita klasifikovanih podataka u velikim tehničko – tehnološkim sistemima*, 2010.
Protection of the classified information in large technical - technologic systems, 2010.
5. **Joksimović Branko:** *Uticaj kompjuterske anti-forenzike na kompjuterski kriminal*, 2010.
The impact of computer anti-forensics on the cyber crime, 2010.
6. **Baroš Čedomir:** *Bezbednost elektronskog trgovanja*, 2010.
Security of the electronic commerce, 2010.
7. **Kovačević Željko:** *Kompjuterska špijunaža i zaštita*, 2010.
The Computer espionage and protection, 2010.
8. **Vidić Daliborka:** *Bezbednosni aspekti upotrebe inteligentnih kartica*, 2011.
The Security aspects using the intelligent cards, 2011.
9. **Milisavljević Jelena:** *Pregled nekih savremenih shvatanja i pristupa sajber bezbednosti*, 2013.
An overview of some modern concepts and approaches to cyber security, 2013.
